

### ***FCA Technologies Achieves Sage Software Million Dollar Club Status for 2008***

**Falls Church, Virginia October 29th 2008** – Since 2004 **FCA Technologies**, a Sage Software business partner, specializing in the sales, installation and support of **Sage Timberline Office, Sage Master Builder and Sage CRM** has been named to Sage Software's Million Dollar Club. And for the fiscal year, ended September 30, 2008 FCA Technologies received this honor again. **FCA Technologies** accomplished this, by selling over a **\$1,000,000** of Sage Software's **Sage Timberline Office, Sage Master Builder and Sage CRM** product lines.

Million Dollar Club honors are given to top ranking business partners who have exceeded one million dollars in business across Sage Software's product lines and solutions groups—including Business Management Division (BMD) (Strategic and Value Accounting, Sage FAS, and Sage CRM Solutions), and Industry & Specialized Solutions Division (ISSD) (Construction and Real Estate, Employer Solutions, and Non-Profit Solutions).

“Sage Software business partners continue to succeed with superior service and support, and a relentless focus on the customer,” said Nina Smith, Sage Software president, Business Management Division. “Our Million Dollar Club achievers know what it takes to win, delivering the solutions and customer service that help both them and their clients succeed. We congratulate **FCA Technologies** this year for their impressive achievement and wish them continued success in 2009,” said Doug Meyer Sage Software president, Industry & Specialized Solutions Division.

“We have been partners of Sage Software and Timberline Software for over 23 years. Since then FCA Technologies has been able to create a team of skilled IT consultants and Certified Product and Industry Experts that have helped our Construction and Property Management clients stay customers for life”.

Linda King-Partner

#### **About FCA Technologies**

FCA Technologies is owned and actively operated by partners Steve Rogers and Linda King. In business since 1983, both Steve and Linda have the background and knowledge to understand the construction and property management industries, as well as, understand the technology services and consulting resources necessary for a successful partnership with our many customers.

As hand-on owners, Steve and Linda have the commitment that customers can depend on, to provide the best possible software and support.

One key to any partnership is the people. Each member of the FCA Technologies team is a dedicated Sage Timberline Office Software expert, with the industry background to meet the needs of every specialty market.

In addition, we provide industry-and network-related products, with knowledgeable consultants available to assist with training and implementation
