FCA Technologies Announces Selection as Intuit Solution Provider

Falls Church, VA – March 9, 2009 – FCA Technologies announced today that it has been selected as an Intuit® Solution Provider. FCA Technologies offers a full range of value-added consulting services for Intuit QuickBooks® Enterprise Solutions (www.enterprisesuite.com) developed by Intuit Inc., a leading provider of business and financial management solutions for small and mid-sized businesses, consumers and accounting professionals.

The Intuit Solution Provider Program will enable FCA Technologies to better serve regional clients and build their business through the sale, implementation and service of integrated solutions. The program's lead offering, Intuit QuickBooks Enterprise Solutions, is a flexible and affordable business management solution designed specifically for growing businesses. The software helps businesses efficiently input, organize and access the information they need to manage finances, inventory, sales, purchasing and employees, and make key decisions for growth.

In announcing the selection by Intuit, FCA Technologies President, Steve Rogers said, "We are really pleased to add QuickBooks Enterprise Solutions to our portfolio. We often work with companies that need to upgrade to a more robust software solution, and QuickBooks Enterprise Solutions is a logical choice for customers to consider. Intuit is really dedicated to working with local solution providers like FCA who work closely with customers in selecting and implementing the right software."

About FCA Technologies

FCA Technologies is owned and actively operated by partners Steve Rogers and Linda King. In business since 1983, they have built a software and technology company that reflects their philosophy of providing outstanding products, consulting services and customer support.

Steve and Linda both agree, "At FCA our company IS our people. In fact, the key to our partnership with our customers is our people." Each member of the FCA Technologies team is a dedicated individual certified in IT Technology Services, Sage Timberline Office, Sage Master Builder, Sage CRM, Deltek Vision and Intuit QuickBooks Enterprise Solutions. They are experts with years of industry experience – not just software experience. When a customer works with one of our consultants, they get the benefit of the entire combined knowledge base of FCA's team. FCA Technologies is THE 'Verizon' team for Sage, Deltek and Intuit® software.

More information about FCA Technologies and Intuit QuickBooks Enterprise Solutions can be found at their web site, www.fcatech.com/Intuit.

About Intuit Inc.

Intuit Inc. is a leading provider of business and financial management solutions for small and mid-sized businesses; financial institutions, including banks and credit unions; consumers and accounting professionals. Its flagship products and services, including QuickBooks®,

Quicken® and TurboTax® software, simplify small business management and payroll processing, personal finance, and tax preparation and filing. ProSeries® and Lacerte® are Intuit's leading tax preparation software suites for professional accountants. The company's financial institutions division, anchored by Digital Insight, provides on-demand banking services to help banks and credit unions serve businesses and consumers with innovative solutions.

Founded in 1983, Intuit had annual revenue of \$3.1 billion in its fiscal year 2008. The company has approximately 8,000 employees with major offices in the United States, Canada, the United Kingdom and other locations. More information can be found at www.intuit.com.
